

## Evacuees...

Questions, not sure? **Ask a KRC Volunteer.**

Here are important points to know during your horse's temporary stay at the Kelowna Riding Club (KRC).

- The KRC is a Not-for-Profit volunteer managed facility
- The KRC is neither licensed nor insured as a boarding facility
- Should your horse(s) require longer term shelter please visit “**KRC Emergency Response Group**” on Facebook for assistance.

The KRC would not be able to offer temporary emergency shelter for your horse(s) without the assistance of volunteers during these difficult times.
